

Eagle Precision Sheet Metal (EPSM) is a contract manufacturer located in Cornelius, Oregon, serving the semi-conductor, technology, medical, B2B electronics manufacturers and beyond. Our products play a key role in high profile projects and products around the world. We specialize in prototype-to production manufacturing.

## **JOIN OUR TEAM**

We are growing and adding a variety of new positions to our team. Our #1 asset are our people. We provide a full benefits package, competitive pay, paid sick, vacation and holiday time and a Simple IRA Retirement account in a safe, productive work environment with training and opportunities for career growth.

### **HARDWARE OPERATORS – SWING SHIFT**

#### **In this role, you will**

- Accurately read and understand blue prints.
- Use specialty equipment such as hardware squeezers, rivet guns, air tools, various hand tools and energized machines to install rivets, PEM nuts and standoffs to sheet metal parts or assemblies.
- Use a very strong attention to detail and precision.
- Carefully handle parts, avoiding actions that can cause damage.
- Focus on quality product.
- Maintain a careful attention to safe working practices.

#### **Your schedule**

- Current openings for swing shift. You will need to spend a period of time training on the day shift to start.
- Swing shift hours: Monday-Thursday, 2:00pm-12:30am

#### **What we're looking for**

##### **Required**

- Work experience demonstrating positive work attitude, team orientation, and ability to pay very close attention to detail in a fast paced environment
- Previous work or hobby experience requiring fine motor skills, hand-eye coordination and manual dexterity.
- Ability to work precisely and accurately with a variety of hand tools and energized tools and machines.
- Ability to read and take verbal instruction in English
- Ability to lift up to 50 lbs several times per day
- Ability to stand, walk, push, pull, squat, bend and reach throughout the day
- At least 18 years of age
- Eligible to work in the U.S.
- Ability to reliably and consistently work assigned schedule
- Ability to work occasional overtime

We are willing and able to provide training to our selected candidate who meets our minimum requirements. Previous related knowledge and experience with PEM brand hardware and types of PEM fasteners is a strong plus, but not required.

### **How to apply**

- Via email at [hr@eagle-prec.com](mailto:hr@eagle-prec.com). Attach your resume and/or a scanned copy of your completed application (see link to print application on our Careers page). In your email, please include the position(s) you want to be considered for.
- In person: Drop off your resume and/or completed application at the front office during the hours of 7:30am-3:30pm, Monday-Friday. Hard copy applications are also available if needed.

### **Equal Opportunity and Reasonable Accommodation**

EPSM and Turk Manufacturing are committed to providing equal opportunity to qualified individuals regardless of sex, age, race, color, religion, creed, marital status, national origin, citizenship, military status, veteran status, handicap, disability, gender, sexual preference or orientation, gender identity, genetic information or other characteristics protected by law.

We comply with federal and state disability laws and make reasonable accommodation for applicants and employees with disabilities. If reasonable accommodation is needed to participate in the job application or interview process, to perform essential functions, and/or receive other benefits or privileges of employment at EPSM, please contact Human Resources at 503-992-1589 or inquire with Human Resources in person.
